Highlights

Sherman County Medical Clinic is operated by the Sherman County Health District, which is supported by the residents of the county through a permanent tax base. This single-clinician clinic has approximately 1,000 active patients and has active referral and consultation arrangements with Mid-Columbia Medical Center, a 45-minute drive from the clinic, as well as collegial support from medical communities in The Dalles, Hood River, Madras, Bend and Portland.

The Sherman County Medical Clinic is a Rural Health Clinic committed to enhancing the quality of life for the residents of Sherman County and Eastern Oregon. We seek to serve the needs of the rural community by providing affordable, comprehensive, and accessible medical services in a safe, professional, and caring environment. We believe that by putting the needs of the people first, we will gain trust, respect, and compassion for each other. We work to improve the health of our patients by promoting collaboration and education.

The Sherman County Medical Clinic is a Tier 3 Patient-Centered Primary Care Home. We have telemedicine capabilities on-site, including a mobile video cart. In 2015, the Clinic underwent a remodel to improve the patient experience and to bring the medical facilities more up-to-date. Recent changes to the Clinic include measures to keep patients and staff safe.

Currently Sherman County Medical Clinic employs one Medical Director, one District Administrator, 1 Receptionist, 2 Medical Assistants - one who also fills the role of Referral Coordinator and the other who is our Community Care Coordinator, and 1 Billing Clerk. The Medical Director has 18 years of experience in a clinical setting. The District Administrator has 7 years of experience. The Medical Assistants have a combined 27 years of experience. Both medical assistants also have 60 combined years of experience as emergency medical services EMT's. The Billing Clerk is AAPC certified in medical billing and coding.
